

## EVERY SONG TELLS A STORY...

Promoting the spirit of 'Unity', 'Diversity', and 'Equality' Hemisphere takes you on a musical and visual journey. Hemisphere draws on Rock, Pop, Jazz, Fusion and Metal to create original and inspired mash-ups that blend influences from multiple genres.

Often incorporating multimedia and visual effects into his live shows, Hemisphere is very excited about the **Unity** release. The album will stream on over 60 music platforms globally. The album 'Unity' is due July 1st of 2022 with TinderBox Music.

A special collectors' CD is available with a 16-page pamphlet of liner notes, images and lyrics. The album is built around taking you on a journey of Unity, Diversity and Equality, delivered thru 11 tracks of rock, pop and fusion!

## PRESS

"...recalls the likes of Morrissey, David Bowie, and Depeche Mode." **Bandcamp Diaries**

"A post-modern take on pop gives Hemisphere a timeless, almost Stereolab-like quality in terms of execution." **Beach Sloth**

"a dazzling new artist has blazed onto the music scene..." **Uptown Magazine**

"...Hemisphere takes a global approach, combining Contemporary, New Age and Latin elements flawlessly..." **Entertainer Magazine**

"Shinn's Dreams is a global refreshment." **Center Stage Magazine**

"...Rob Shinn and company twist and careen around lush jazz orchestrations, tickling you with touches of Pop, soothing you with New Age ambience, and heating you up with Latin and Funk rhythms..." **Cakewalk Reviews**

"From neon-hued synthesizers bubbling over to well-placed samples, the entirety of the piece has a balance to it." **Beach Sloth**

"...a retro-pop groove powered by analog synths and flashy guitars." **The Static Dive**

"Maybe that is what they call timeless music. And timeless music is not a bad badge to wear on your sleeves." **Dancing About Architecture**

"as emotionally soothing as a week's stay at Club Med... with a smoother newer sound combined with crisp percussion... this album just begs to be played in its entirety..." **San Diego Gay and Lesbian Times**

"Halfway through (Transmission) we get a Pink Floyd-esque breakdown and outro that is indulgent and inspiring at the same time! Hemisphere is a band that knows how to pull off great songwriting that is peppered with experimental and progressive ideas." **INADRM**
